## STANDING ORDER

It is not always possible to attend Mass in your own parish every week, like when you're on holiday. The most effective way to give is via a standing order from your bank account. All you need to do is fill in our Planned Giving Form, sign it, and return it to the office.

### Are you on our GIFT AID list yet?

It is important to gift aid your offering to the church (whether Sunday envelopes or through standing order). This means that the government will top up your offering by 25p for every £1 at no extra cost to you, the giver. You have to be a UK taxpayer to qualify and you have to fill in a declaration form. For more information, please call the office or ask Fr. Gideon.

## THE MOST HOLY TRINITY - Sunday 11<sup>th</sup> June 2017

### The Deep End – Trinity Sunday @intercom

God in today's Gospel is described to us as one that is very close, as one that loves the world so deeply that he was willing to give everything to it. It is hard to comprehend these statements. Why would someone love in such a way? Why would someone sacrifice in such a way? John's Gospel today tells us that it is because we are loved so deeply and so that we would come to know this love which brings life. It is not a one-off event; it is continuous and ongoing in each of our lives. Neither is to make us feel guilty; we are told that this outpouring of God's love is not to condemn us in any way. This giving from the Father is so that we might be free from our own brokenness, that we might know how infinitely loved we are and so live a life that is full and everlasting. God rescues us from our own brokenness and offers a life and deeper experience. Trinity Sunday invites us to reflect on the impossible; on the utterly mysterious. Yet we can know something of what it means to experience God's love in our lives; to have a deep relationship with Jesus Christ and to feel God's Spirit dwelling within ourselves. We can experience that same Spirit in each person that we meet, that Spirit of God indwelling in all of creation. The Trinity speaks to us of relationship, community, of fully giving and receiving.

'God has fallen in love with us- quite literally. God has come down to earth, and opened Godself to all the raw brutality, as well as the warm tenderness, of human life. – Margaret Silf

## THE INEXPRESSIBLE MYSTERY

The God of the universe is mysterious. Science has not been able to solve the mystery of how the universe came into being or explain exactly what continues to give it creative energy and masterful design. No religion asserts that it has found words to name fully the ineffable mystery of God, for no matter what name we use, God always transcends our limited ability to understand. God is a mystery to be believed, not known. And yet, we Christians believe that our name for God best expresses that inexpressible mystery: God is the Most Holy Trinity of three persons united in a communion of love, pouring forth that creative, saving, sanctifying love into the world. Today's scriptures celebrate the mystery of the Trinity and give us clues for living that mystery in our lives.
