PLANNED GIVING (OFFERING)

It is deciding how much of your income to regularly give to the work of your Parish. This will help us **budget** for the years ahead.

STANDING ORDER

It is not always possible to attend Mass in your own parish every week, like when you're on holiday. The most effective way to give is via a standing order from your bank account. All you need to do is fill in our Planned Giving Form, sign it, and return it to the office.

PLANNED GIVING ENVELOPES 2014

Gift Aid? It's worth it!

It is important to **gift aid** your offering to the church (envelopes or standing order). This means that the government will top up your offering by 25p for every £1 at no extra expense to you, the giver. You have to be a UK taxpayer to qualify and you have to fill in a declaration form. For more information, please call the office or ask Fr. Gideon.

'The Parable Experience-Engage'

Parables are not simply a 'story with a moral'; they are much more than that. Parables speak to the heart and command an alertness to all that is said and all that is unsaid. We need to pay attention to the detail, but must also be careful not to miss the hidden meaning in the parable experience. And it is an experience. The parable does not end once we are finished hearing or reading it. It stays with us; disturbs us; forces us to ponder. Parables should awaken our senses.

Today's parable highlights the various ways that we do not allow God's word to penetrate deep into our hearts and minds. Jesus tells the disciples: *'The reason I speak to them in parables is that "seeing they do not perceive, and hearing they do not listen"'*. Jesus emphasises the enormous harvest that is waiting for those who really 'open their ears'.

Recently, I saw a YouTube clip of a 40 year old woman who was able to hear for the first time thanks to cochlear implants. It was an emotional clip to watch and she cried and laughed and shouted with joy. She explained how *'the switch-on was the most emotional and overwhelming experience of my life'*

If we are open to the parable experience, if the soil is truly receptive, perhaps the Word can affect us in the same way. In the coming Sundays we hear the parables of Matthew 13. Perhaps we can hear them again for the first time.

MUSINGS

The First reading today beautifully depicts the Word of God's a life –giving word going forth from heaven to water and give life anew to the earth, making it fruitful once more. How often in our daily life do we silently wish that we could be replenished, rejuvenated, renewed? The ancient monastic practice of *Lectio Divina* encourages us to take a word or line of scripture which speaks to us and make it our own, returning to it for nourishment during the week. It also speaks of repeatedly 'chewing' the Word. Which line of Scripture will be your oasis over the coming days? @ Intercom
