STANDING ORDER

It is not always possible to attend Mass in your own parish every week, like when you're on holiday. The most effective way to give is via a standing order from your bank account. All you need to do is fill in our Planned Giving Form, sign it, and return it to the office.

Are you on our GIFT AID list yet?

It is *important* to gift aid your offering to the church (whether Sunday envelopes or through standing order). This means that the government will top up your offering by 25p for every £1 at no extra cost to you, the giver. You have to be a UK taxpayer to qualify and you have to fill in a declaration form. For more information, please call the office or ask Fr. Gideon.

The Deep End

Support; an important word in our vocabulary today and very much so in our families. Where would any of us be without the support of the family which is the bedrock of society? Moses had his family, the Israelites of old, and note how they supported him, holding his hand on high, as he interceded for his people when they were engaged in defending the people. No cameras to record it, but what a sight it must have been and a wonderful family story.

We had a wonderful summer of sport this year. We had the thrills and spills of the European Cup, the Olympics and the GAA Championship. Our sport men and women did us proud and themselves too. Everybody wants to bask in the glory of coming out as a number one. Only one can make it to the top and yet can we recall the frequency with which we secretly, or openly shouted 'God, O God, can they make it?'

God, O God: I wonder if He always listening! Could he ever be akin to the unjust judge, who even though, apparently, not interested in the dear old lady in the gospel story, granted her request to get her, as it were, 'out of his hair'. I wonder did he still have hair and how long was the widow pestering him. Isn't this how it is in some families? In the time of large families, it was noticed that younger members easily got what they wanted, their first disco, holidays away from the family, etc., in comparison with the struggle the first members of the family had to endure. Even parents give away to pressure perhaps because of weariness or it could be that they too acquire wisdom over the years.

Being human and trying to communicate with a divine being we use human concepts and the God we call on is sometimes likened to a parent who could possibly know what is best for the children. He may be slow in responding and we wonder why. Is the Almighty mind being changed or is it my request that is being modified?

November 2 – ALL SOULS DAY

Holy Souls envelopes are now available. We write their names and place them in front of the altar and Masses will be offered for them during the month of November. (Any surplus Masses will be sent to Aylesford Priory)

By this traditional practice, we are reminded that the Church is not limited to this world but extends into the next as well. By praying for the dead, as we prayed for them when they were with us, we are united with the "Communion of Saints." Our ultimate goal, of course, is to be together once more with those whom we have loved and to be in the presence of God. The prayer for the dead in the Eucharistic Prayer IV expresses this beautifully: *"Remember those who have died in the peace of Christ and all the dead whose faith is known to you alone."*

What a wonderful thought to carry with us this coming November: that those who have already died are "God-like" and through death, we too will come to share in God's life.
