**The Dedication of the Lateran Basilica**

**The Deep End. 'The Dedication of the Lateran Basilica'**

Today we celebrate the dedication of the Basilica of St John Lateran, historically the oldest church in Rome. It was the residence of the Pope for centuries and remain his cathedral. It is considered the mother of all churches! Our Gospel passage for this feast almost seems to be in contradiction as it recalls Jesus cleansing the Temple in Jerusalem. The theology of the Temple was such that to get to God you had to qualify culturally, socially and in terms of 'purity'. The goods sold in the Temple markets were used in sacrifices so that people could meet the requirements to be 'closer' to God. You can understand why Jesus was angry and challenged this model. He tells people early on in John's Gospel that HE is God's Temple. God cannot be confined. Jesus' word are too controversial for his listeners and challenging such powerful structures comes at a price.

We can take away many reflections from today's feast: we celebrate the Church as a place of encounter with God; we are also reminded that God is not confined to one building or the structures placed around it. We gather as community in prayer and worship in our churches united with Christians all over the world, yet we remember that it is the people who gather there in Jesus's name who are the real Church. The Temple of God is the Christian community, the body of Christ with Jesus as its foundation. This is *pre-echoed* in the second reading today from St Paul when he says: *'For the Temple of God is holy and you are that Temple'*.

**Sick and Retired Priests' Fund**

There will be a collection for the Sick and Retired Priests' Fund today. The Sick & Retired Priests' Fund was set up in 1979 and over the years it has helped hundreds of sick and elderly priests. But it can only continue to do so with our help as it depends on donations. Please give as much as you can afford and, if you pay tax, don't forget that you can add 25p to every £1 that you give (at no extra cost to you) by completing the Gift Aid declaration on the back of the donation envelope. (You can also make a donation online at [www.rcdw.org.uk/donations](http://www.rcdw.org.uk/donations)).

Heythrop College presents an immersive experience intertwining clips of Philip Groning's prize-winning film Into Great Silence (2005) and choral music alongside philosophical discourse, to ponder how silence acts as a spiritual and epistemic space to enable action and change.

The event will run as three segments presented by Prof Johannes Hoff, Dr Ahmad Achtar and Dr Tony Carroll. They will explore the notion of how the humanities bring to light the 'silenced' parts of everyday life through the lenses of western ontology, Islamic theology and mysticism, and listening to the voice of the silenced.

**'ARGUMENTS FOR AND AGAINST GOD'**

Thursday 27 November 7:00pm – 8:30pm at Vaughan House .

The Advent 2014 series of Faith Matters talks will be dedicated to explore some big faith questions such as existence of God, suffering and secularization.

The second talk is led by Fr Peter Hunter OP and is titled 'Arguments For and Against God'. There are many traditional arguments that claim to establish that there is a God? Do any of these arguments work? On the other hand many are disturbed in their faith by suffering and wickedness in the world around them. Do these provide a reason to say that there is no God? Registration is required via <http://rcdow.org.uk/faith/aff-events/> or <http://rcdow.org.uk/events/> or e-mail: [livingfaith@rcdow.org.uk](mailto:livingfaith@rcdow.org.uk) or 02079316078.

**MUSINGS**

Today's feast commemorates the cathedral church of Bishop of Rome (which, incidentally, is St John Lateran, not Peter's.) The popes lived at the Lateran for almost a millennium before they moved to the Vatican. However there was an earlier feast celebrated on 9 November-that of the 'Passion of the Image of Christ'- which grew out of the legend of violent attack of iconoclasm against a painting of Christ in Beirut. It's fitting, then, that we continue to remember the plight of Christians in the Middle East whose very existence in the region is under continued threat.
